Message:

Hi Mr. Warner, we are emailing you and the Zoning Commission to please consider allowing Goodspeed Tattoo shop to remain at their current location on Saybrook Rd.

We have had the pleasure to know the business owner George and artist Jeremy. They are one of the most polite and professional individuals. The studio is clean and artfully decorated which is inspiring for clients who are looking to express their feelings or memories through art of tattooing. Many of us including ourselves have our mother's memorial tattooed there. It is enlightening to have a place at a location with skilled artists so accessible from different areas.

The business has been thriving there at the location. It is also beneficial for the town and surrounding businesses to have such a booming business that brings people in.

Please approve to have Goodspeed Tattoo to remain at the current location.

Sincerely,

Stephen and Mikako Tirone
