To Planning and Zoning commission Town of Haddam,

I am aware of a new application for TruckStop Family Recreation Center at 66 Killingworth Road, Higganum. I think it would be great to have a gathering place for family fun and entertainment in our community. Arcade games, cornhole etc.... would be welcomed and would keep families having to leave town for entertainment. Also bring people from surrounding towns and increase traffic and give an economic boost to our downtown businesses.

Dear Commission Members,

I voice my support for the "Truck Stop Family Entertainment Center" application.

The Applicant has an outstanding commitment to our Town and Higganum Center in particular. Please note that he has purchased the property and has expanded his 'HK Fitness' business to an adjacent building.

This Application personifies the future in gathering places. It will be a 'destination' location as opposed to what we now know.

It is spacious on purpose, ie social distancing, and loaded with games and décor that attracts families. Safety is the highest priority as witnessed at his other enterprises.

Once open, I would be honored to join in a craft brew on you.

Sincerely,

Mark P. Lundgren
