Serving Old Saybrook, Clinton, Deep River and Haddam

Connecticut River Area Health District (CRAHD) welcomes all Haddam residents to a presentation on Community Public Health Preparedness

CRAHD is dedicated to helping you and your family prepare and be better informed before a public health crisis arises. Our goal is to provide you with quick, accurate information, guidance and recommended actions. We want to make you aware of our public health emergency plans.

CRAHD staff will be giving a presentation:

WHEN: Thursday, April 20th at 6:00P.M

WHERE: Haddam Volunteer Fire Company, 439 Saybrook Rd, Higganum

The presentation will consist of information on the following topics:

- General preparedness- Why should you be prepared?
- Mass dispensing plans
- Dispense assist tool
- Closed Points of Dispensing (PODs)
- Recruitment of public health volunteers

CRAHD is the lead health department for Mass Dispensing Area (MDA) 39. The towns that make up the MDA are Chester, Clinton, Deep River, Essex, Killingworth, Old Saybrook, Westbrook and soon to include Haddam. It is essential that you are better aware of the above mentioned topics if a real public health emergency occurs.

Please attend this open meeting and become a better informed citizen!
