Selectman's Corner

I hope you attended some of our fall events. The Fall Festival/ Grimm's Haunted House/Pumpkin Run weekend drew big crowds and were big successes. Thanks to all who helped make them happen. I've said it many times but it's worth repeating our quality of life in Haddam and all small towns owes a lot to the efforts of our volunteers. Please consider joining their ranks. There are plenty of opportunities.

We'll have two town meetings in January. On the Tuesday the 16th we have the Annual Town Meeting. As required by our charter, the Annual Town Report will be presented for discussion. We also have to discuss and vote on purchasing a senior van. The van is scheduled for replacement next fiscal year (starting July 1, 2024) but a recent repair to the van indicates the purchase should be moved up. The good news is we budgeted \$130,000 for it but the price will be closer to \$85,000. The second town meeting will be on January 25th to select a developer and approve plans for the Rossi property. We received a \$1.5 million dollar grant from the state for environmental clean-up of the site. The state is getting anxious for us to start but we need the developer and plans before we can. I may also have some revisions to town ordinances to present at that meeting.

In October, we had an informational meeting from Homeland Towers and Verizon regarding their proposed cell tower in Haddam Neck. The tower will provide coverage of the dead zone along Saybrook Road north of the Pilot House. At the end of November, they submitted their tower request to the Connecticut Siting Council to start the formal approval process. By state statute, the request goes directly to the Siting Council and not through the town. There will be a public hearing on a date yet to be determined where you can express your support or opposition for the tower. The town can address the hearing as well. The dead zone on Saybrook Road and vicinity is a major public safety issue and inconvenience to many of us. If the tower is approved, we'll see the coverage improvement in about a year.

apartments on Brookes Court, will start phase two of their development. They've been approved by Planning and Zoning to add 32 apartments to the complex but may seek a revision to build a smaller number of town houses instead. The developers of the apartments at 105 Bridge Road expect to start leasing the one and two bedroom units this spring. The last project I want to discuss is the roundabouts on Saybrook Road in Tylerville. DOT intends to start work on the one at Bridge Road this spring followed by the one at the Route 9 connector. The project will take two years to complete.

Enjoy the winter. Keep in mind the days are getting longer. Stay safe and thanks for taking the time to read this.

News & Important Application Deadlines

STATE OF CONNECTICUT HOMEOWNER'S (CIRCUIT BREAKER) & THE TOWN OF HADDAM SENIOR ABATEMENT PROGRAM

The application period for these exemptions is February 1, 2024 to May 15, 2024. Persons who file must be 65 years of age by December 31, 2022 or totally disabled. Please call the Assessor's Office at 860-345-8531 Ext 213 or 226 to make an appointment or to discuss your qualifications.

ADDITIONAL VETERAN'S EXEMPTION

The application period for Additional Veteran's exemptions is February 1, 2023 to October 1, 2024. Please call the Assessor's Office at 860-345-8531 Ext 213 or 226 to make an appointment or to discuss your qualifications.

Proof of income is required when filing for the above programs. Income includes all taxable and non-taxable income as well as social security income.

Exemption forms for the Totally Disabled and for the Blind are available in the Assessor's Office.

If you have any questions please do not hesitate to call us at: 860-345-8531 Ext 213 or 226.

REPORTING ADDRESS CHANGES IS CRUCIAL TO TAXPAYERS!!!

It is imperative that you report any change of mailing address in writing, by regular mail or email, to the Assessor's Office. The mailing address on the Assessor's records is what is used for all tax bills and other correspondence such as assessment information, assessment appeals information, etc. Not only is this information used by the tax collector but it is also used by the land use office, building department, selectman's office and other departments.

We have come across many circumstances where the mailing address on record has been incorrect. These incorrect addresses may result in interest penalties and other charges imposed by the Tax Collector's Office due to the claim that no tax bill was received. Non-receipt of a tax bill does not negate your liability to pay the bill including any interest or penalties. We are trying

to spare our residents any problems which may arise from an incorrect mailing address.

Remember, if you move, your mail is only forwarded by the post office for 6 months. In some cases, because the tax bills aren't generated until the following July, your forwarding address has expired leaving the Tax Collector with no current address. According to Connecticut General Statutes we are only obligated to send it to the last known address.

If you elect to receive your mail via a post office box, please note that we are unable to access that information through the post office or any other means, so PLEASE inform our office immediately, in writing, of any change of that type.

Another important point regarding mailing addresses is that if your taxes are paid by your mortgage company we may not have your current mailing address because the bill is forwarded to them for the life of the mortgage. While this may not affect your tax bill during the mortgage period once the mortgage is paid off or refinanced we may not have your proper address. If you are unsure of your current mailing address, you may call the Assessor's Office to verify the address that we have on file.

MOTOR VEHICLE SUPPLEMENTAL TAX BILL

Motor Vehicle Supplemental Tax bill were sent out in December 2023 cover a period of time from October 2, 2022 to September 30, 2023.

The Department of Motor Vehicles (DMV) does not notify the Assessor's Office of any motor vehicle changes or change of address. We hope the following information will assist our taxpayers in determining the course of action should the status of your motor vehicle change. This will ensure that you receive any credit that may be due. All documentation must be dated and include the vehicle identification number (VIN).

HAS THE STATUS OF YOUR MOTOR VEHICLE CHANGED? Sold, totaled, moved out of state, junked or donated???

Tax Collector's Office

Greetings from the Tax Office

The second installment for Real Estate, Personal Property and the full Motor Vehicle Supplemental bills are due by February 1, 2024. Postmarked dates from the Post Office are accepted. You can use the pre-addressed envelope that came in the July bills to mail a payment through the lock box. Please be sure to enclose the tax bill with your payment.

Payments can still be sent to:

Town of Haddam, 30 Field Park Drive, Haddam CT 06438 or dropped off in the lock box outside the Town Office Building to the right of the front door. And as always, if you want to come in we love seeing residents.

We do not mail out bills for the second installment for Real Estate or Personal Property. If you need a copy of your bill, visit: Haddam.org and search under Pay Taxes Online. You can print a copy of your original bill, pay a bill or see when a payment was made. You can always call, email or stop in for a copy.

If you bought a house, paid off your mortgage, or changed escrow companies

after July, please confirm with them on who is going to be paying the January installment. Please do not assume we have the most current information. If you receive a bill for a vehicle you no longer have contact us immediately. Once interest has accrued it cannot be removed.

Credit Card payments can be made in the office or online. **We do not take payments over the phone.** A service fee of 3% for payments made with a credit or debit card will be applied to all card transactions. An electronic funds transfer can be set up online from a checking account for a flat fee of \$1.50. Please put the current bill number on the memo line, it makes it easier for us to find with online checks from your bank.

If you are paying online, you will receive an email confirmation that your payment was made. If you do not receive one, or you're not sure if your payment went through, please give your bank or the Tax Office a call before you try again. Online payments have to be manually processed in the office and will not

reflect on our website for a few days.

Any payments postmarked after February 1, 2024, will start to accrue interest at a rate of 1.5% a month from the original due date of January 1, 2024. To help keep interest down, partial payments can be made at any time.

If you would like to have a receipt mailed to you, please include a self-address stamped envelope and include a phone number and mail the payment to: Tax Office, 30 Field Park Drive, Haddam CT 06438 or use the drop box located to the left of the front doors.

Please make checks payable to:

The Town of Haddam.

Our Director says Goodbye & We Welcome the New Year!

After nearly 8 years of talented leadership, Library Director, Tom Piezzo, has moved on to new challenges. The staff and community wished him well on December 27th. He will be missed. Be assured however, the library is in good hands with the senior staff, interim director, and board of trustees, all of whom have many years of experience in the library field, manning the helm.

In the meantime, regular programming and patron services continue per usual and the plans for renovation are ongoing.

THANK YOU!

The library has enjoyed a lovely holiday season with thanks to the Garden Club for their beautiful decorations. We would like to thank residents for their generous donations of hats and mittens for our 2 Giving Trees. The warm, colorful outerwear will be given to a local charity organization soon. Thanks are also extended to the Friends of the Library for the Truffles for Books, whereby purchases from their onsite “Book Nook” include a free chocolate truffle. There are still some left! They also provide the free children’s and teen’s book bundles which are in the entry. We hope residents will continue to take them home. We haven’t run out!

YOGA CLASSES

In November and December, BML partnered with Haddam Social Services to provide yoga classes. They were so well attended, we look forward to running them again.

CHILDREN & TEENS

The Children’s department is hopping as always with Story-time and Toddler Tunes on Tuesdays and Thursdays at 10 and free craft kits, while the Teen librarian is very busy running many fun programs. At this time, we have: Teen Movie Night, Anime, Art, Pokémon and 2 Game Nights. The Teen Advisory Board meets the 2nd Wednesday of each month. The Taste Test Showdowns will be returning, so be sure to check the Children’s & Teen webpages, our Facebook, or Instagram.

Our Big Event this quarter is:

“TAKE YOUR CHILD TO THE LIBRARY DAY!”

We’re celebrating all things Mario at this year’s Take Your

Child to the Library Day from 11:00 am to 1:00 pm on Saturday, February 3rd! Construct some super crafts, power up with Mario-themed foods, and try your hand at fun activities from the Mushroom Kingdom. You can also play through Mario’s history on a collection of different video game consoles from throughout the years!

Just a few more reminders...

BESIDES BOOKS & MEDIA BML PROVIDES:

- Museum Passes
- Board and Nintendo Switch games
- Tech Help
- Printing, copying, and faxing services
- Meeting and quiet study spaces
- Wi-Fi Hotspot lending
- Cooking and Crafting clubs for adults

By the way, in case you haven’t seen it, The Friend’s onsite bookstore holds over 3000 books and media at the lowest prices in Connecticut. Browse the Book Nook!

Finally, we still have some gorgeous houseplants left from Fall Fest. There are bromeliads, ferns, peace lilies, and a nice big schefflera to provide a beautiful green space in your home.

AND!

Some commemorative bricks available to engrave and install in our new walkway. Details are on the website or in the library lobby.

NOTE:

The dates on the Homepage calendar open to events for more info or to register. But, if you sign up for our monthly e-newsletters you won’t miss program announcements! Don’t miss what’s going on at BML! Visit us at: <https://brainerdlibrary.org/>

BML Staff looks forward to seeing everyone during their visits and at our programs and wishes the community a Happy, Healthy New Year!

Vista Receives \$500,000 in Funding from the State of CT Bond Commission

Vista Life Innovations' (Vista's) Westbrook Dormitory and Education Center is a historic building located at 1356 Old Clinton Road and is known as the Captain Joseph W. Spencer House. It is located in the heart of the Westbrook Historic Town Center Historic District. The \$500,000 in funding from the State of Connecticut will go to repairing and restoring the historic wrap-around porch on the structure.

For over 30 years Vista has worked to preserve the structure of the building including the wrap-around porch that has had limited access for quite some time. Because of the historic nature of the Westbrook Dormitory all repairs require permission from the State Historic Preservation Office. This includes necessary measures such as the supervision of a contractor certified in historic renovations and consultation with an archaeologist. As you may expect, repairing the porch is a costly undertaking and is currently estimated to exceed \$500,000.

With such a costly and necessary repair, Vista has worked for some time with local legislators, Governor Ned Lamont and his administration, Rep. Chris Aniskovich, and our many other legislative partners, including State Representative Vin Candelora, Rep. Devin Carney, and Senator Norm Needleman to secure state assistance.

After much perseverance and hard work, on December 15,

Left to right: State Representative Christopher Aniskovich, Helen Bosch, Governor Ned Lamont and Vista Board Chair, Christine Picklo.

2023, the Connecticut Bond Commission awarded Vista \$500,000 towards repairing the wrap-around porch of this historic structure. This could not have been achieved without the help of our local state legislators.

Vista is thrilled to receive these funds and appreciates the tremendous support from the Connecticut State Legislature and Governor. Renovations are anticipated to commence in early 2024 with project completion occurring before the end of the year.

Vista Life Innovations is a 501©3 nonprofit organization with campuses along the Connecticut shoreline. Vista's mission is to provide services and resources to assist individuals with disabilities achieve personal success. For more information about Vista, please visit: www.vistalifeinnovations.org.

About Connecticut Cancer Foundation (CCF)

CCF was founded in 1987 by Connecticut native John Ellis, a former catcher for the New York Yankees and cancer survivor, to financially assist cancer patients and their families and fund cancer research. For the past 36 years, through its *CT Cancer Patient Assistance Program*, CCF has granted over \$8 million to more than 9,000

Connecticut families dealing with the financial hardship that often follows a cancer diagnosis. In addition, CCF has donated more than \$2 million to support ongoing cancer research at Memorial Sloan Kettering. CCF is a 501(c)(3) non-profit organization. For more information, please visit
