## Haddam, Connecticut 2023 Declaration of Personal Property

*Filing Requirement* – This declaration must be filed with the Assessor of the town where the personal property is located. Declarations of personal property shall be made annually. If property declaration is not submitted annually, the Assessor will compound assessments as necessary.

If you no longer own the above noted business or personal property assessed in your name last year, you do not need to complete this declaration. You must, however, return this declaration to the Assessor and provide information related to the name of the new owner of the property or the date your business ceased or to where you moved the business (see Affidavit below). Otherwise, the Assessor must assume that you are still operating the business and still own and have failed to declare your taxable personal property.

### **TAXABLE PROPERTY INFORMATION**

- 1) All data reported should be:
  - Actual acquisition costs including any additional charges for transportation and installation by year for each type of property described. These costs, less the standard depreciation as shown on the form will determine the net depreciated value.
  - Include all assets that may have been fully depreciated, written off, or charged to expense but are still owned. Do not include disposed assets.
- Reports are to be filed on an assessment year basis of October 1. Acquisitions between October 2 and December 31 apply to the new year. (i.e. acquisition made October 30, 2022 is reported in the year ending October 1, 2023).
- 3) Computerized filings are acceptable as long as all information is reported in prescribed format.
- 4) Do not include disposed assets. Disposals are used to reconcile last year's reporting with this year's reporting.
