

**TOWN OF HADDAM
SAND BID**

The Town of Haddam will be accepting sealed bids from qualified suppliers of sand for snow and ice control.

Sealed bids will be received at the Haddam Town Office Building, 30 Field Park Drive, Haddam, CT 06438, until 10:00 a.m., Friday, September 28, 2018, at which time bids will be opened and read aloud.

SPECIFICATIONS

Sand for snow and ice control shall consist of clean, hard, durable and uncoated particles of quartz or other rock that is free of clay, soft or flaky material, loam or other detrimental material.

The sand shall conform to the following operation requirements:

<u>Square Mesh Sieve (Inches)</u>	<u>Percent (%) Passing by Mass</u>
3/8	100
# 4	70-100
# 50	10-40
#100	0-10
#200	0-4

Each bidder will be required to supply a five (5) gallon pail of sand to the Town of Haddam for testing to the Public Works Garage, 103 Depot Road, Higganum.

Testing will consist of the sieve analysis, Method T104, soundness testing and resistance to abrasion, Method T96, showing no more than 50 percent loss of abrasion.

Materials found to not meet these standards will be rejected.

QUANTITY (TONS)

For purposes of this bid, the Town of Haddam will require approximately 5,125 tons of sand. Bidders will be expected to provide up to 150 percent of the Town's initial annual quantity.

DELIVERY

Delivery will be expected within 48 hours of order confirmation, Monday through Friday between the hours of 7:00 a.m. and 3:30 p.m., at the Haddam Public Works Garage, 103 Depot Road, Higganum.

PRICING

Bidders will submit net unit prices, delivered, per TON, including any fuel surcharges.

If you have any question, please contact Christopher Corsa, Assistant Director of Public Works, 860-345-2110.
