

Motor Vehicle bills are mailed out June 30th. If you do not receive a bill for all your vehicles, please call us immediately.

You are responsible for all bills in your name. If mail is returned to us, we make every effort to find a good address. If not, we will not re-mail out another bill to the same address.

You can also go to Haddam.org and reprint a copy of your bill. Search your name under Pay Taxes Online.
